ABOUT

A recent college graduate in filmmaking (BFA) with seven years of experience in photography and visual storytelling – directing actors and crew members on set, and operating as assistant director, creating schedules and keeping to them, and producing many student short films in the Los Angeles area. Knowledgeable in narrative and music video editing, experienced in portrait and event photography, plus developing and editing those photos. Passionate, determined, and a hardworking team member interested in providing creative insights for the best project results.

highlights

- experience in loading film and developing photos
